

ION* Gut Support

ION* Gut Support is an all-natural daily wellness supplement that supports healthy digestion, defends from toxins, and improves nutrient absorption. Backed by science, ION* Gut Support is proven to strengthen the gut lining, improving overall gut function. ION* gets to the foundation of health so you can thrive from head to toe.

Benefits of ION* Gut Support

Healthy Digestion

Nutrient Absorption

Overall Wellness

Usage Instructions

Adults and Children 4 and Over:

For general gut-brain health, we recommend 1 teaspoon of ION* Gut Support 3x/day. Optimal gut support is achieved when taken 30 minutes prior to meals because of ION* Gut Support's protective effects against gluten and glyphosate, but you can take it immediately before, with, or after a meal, (or on an empty stomach) and still receive benefit.

Sensitive Adult Usage:

Results can vary with initial ION* Gut Support usage, with many customers reporting rapid and profound early results. These results are not the direct effects of the supplement itself, but instead reflect the innate process that occurs in a body as the firewall system is optimally up and running. There is a subset of individuals, however, that can experience symptoms of tiredness, headache, bloating/increased gas, or bowel changes. If you feel you may be sensitive to the changes that can occur as your innate defenses and capacity for water/nutrient absorption are restored, we suggest a slower approach. Start with 1/8 teaspoon of ION* Gut Support daily, increasing usage slowly, as tolerated, to get to recommended label usage.

Serving Size: 1 tsp [5ml]

Servings per bottle:

32oz- 188

16oz- 94

8oz- 47

3oz- 18

Active Ingredient: Humic Extract (from Ancient Soil) 5 mg per serving
